

Hologram Photoshop Action

Thank you for purchase! [Please rate this item here](#)

It's very easy to use this action:

!!! Make sure you are using the ENGLISH version of Photoshop

1. Install action into your Photoshop:

Simply double-click **.ATN** file and action will be installed into your Photoshop

Hologram by Sko4.atn

2. Install patterns into your Photoshop:

Simply double-click **.PAT** file and patterns will be installed into your Photoshop

Patterns for Hologram.pat

3. Open your image

Leave the photo layer and set as the 'Background'.

In case it is not, go to 'Layer' -> 'New' -> 'Background from Layer' to convert it into a Background locked layer.

4. Go to the actions palette

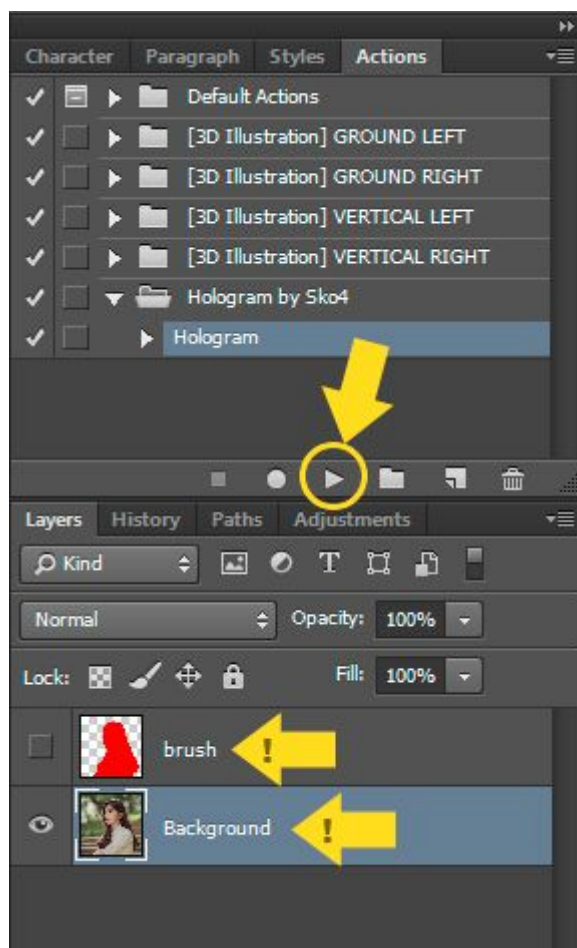

If the actions palette is not visible, go to “Window”, then click “Actions” in the dropdown
Find in Actions palette **Hologram by Sko4**

5. Brush area

Create a new layer above the background layer called 'brush'.

MUST be all lowercase!

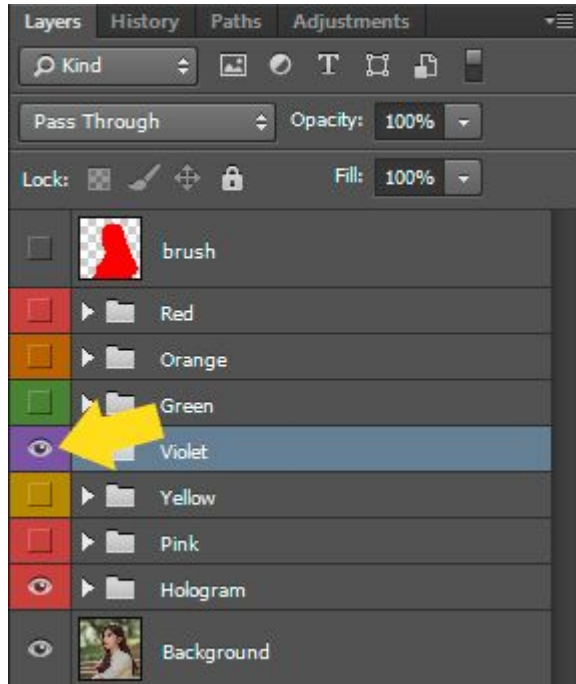

With the 'brush' layer selected, brush/trace the areas of your photo that you want to apply the hologram effect to.

6. Click the 'Play' button and wait for the action to complete.

7. Choose color filter

Choose one of 66 color filter by making visible folders

Enjoy results!
